

Exercise: Add Me Up

Backlog

As a user, I would like to perform basic addition operation.

Acceptance Criteria

- ❑ There should be two EditText (text fields) which accepts only numbers (int, float, double, etc.)
- ❑ One TextView (label) that says "+" to indicate that we are adding two numbers.
- ❑ One button with text "=" and when pressed will compute the sum of two numbers.
- ❑ One TextView (label) that displays the result of adding the numbers.
